*Being a catechist is a rewarding experience as you journey alongside St. Matthew's younger parishioners. We ask that you help the parish by teaching in one of our programs. This year we need over 130 catechists. As you can see, it "takes a village" to raise our children in their faith. Please prayerfully consider teaching when registering your children. We cannot assign children to classrooms until we have two teachers to volunteer for a particular class. Catechist training, enrichment and support are offered throughout the year. If you have questions about teaching, please call the office. We would love to talk with you about being a catechist and could put you in touch with one or several catechists who can offer you their insights on this vibrant ministry in our parish. We need your help in order to accomplish all that we do and keep our costs as low as possible. You will be setting a great example for your children by showing them the importance their faith journey has in your life.*
